Leadership Pueblo Past Graduates:

The Leadership Pueblo Steering Committee is reaching out to past participants of the Leadership Program in an effort to establish a data base of alumni. The Leadership program is 30 years old and there are over 800 past graduates.

Please take a few minutes to complete the attached form and submit it back to us at:

puebloleadershipalumni@gmail.com

If you have contact information of other members of your class or perhaps you know someone that was in another class please forward this information. We would like to establish a complete data base of past graduates so that we can communicate upcoming events and opportunities that arise for community involvement.

Thank you for your assistance and if you have any questions please contact Terri at 542-1704.
